ABOUT THE ASSOCIATION WOMEN'S FORUM - TETOVO

DESCRIPTION OF THE ASSOCIATION

"Women's Forum - Tetovo" (LF) is a non-governmental, non-profit, non-partial and humanitarian association founded in January 2001 in Tetovo, with the registration number 1/2001 under the name "Albanian Women's Forum" (FAC).

Since February 2008, the name of the association has changed from "Forum of the Albanian Woman" in "Women's Forum - Tetovo".

The Women's Forum is based in Tetovo, but its activities are realized in the wider region in the North and West of Macedonia.

The Women's Forum has 39 members who are actively involved in the organization's activities. The members of the Women's Forum have experience in working with women and children. They have participated and worked on a large number of seminars and projects for educating women and children.

VISION

"Women's Forum - Tetovo" strives for the emancipation of women, especially from rural areas, self-awareness of women and raising awareness of her equal status in society, protection of human rights and gender equality.

MISION

"Women's Forum - Tetovo" is a non-governmental organization working in the North and West of Macedonia to raise women's awareness of her self-esteem, strengthening her self-esteem and unhindered integration into social trends.

MAIN GOAL

Promoting a woman as an equal partner in decision-making and contributing to the empowerment of women in taking significant roles in the development of civil society in Macedonia.

STRATEGIC GOALS AND PROGRAMS

According to the strategic plan, the strategic goals and programs of the Association are:

- Institutional development of the Forum (strengthening of its own capacities);
- Economic development and empowerment of women
- Protection and promotion of human rights

SERVICES

Center for Free Legal Aid for the victims of domestic violence

The Center for Free Legal Aid for victims of domestic violence in Tetovo (CPP) exists and operates within the Association Women's Forum Tetovo since 2002 and offers a unique type of services of this kind in Tetovo region and the wider western part of Macedonia. The main goal of the CPP is to provide free legal advice and services for women victims of domestic violence, as well as educating and informing about domestic violence.

The services provided by the CPP are fully aligned with minimum general and specialized standards that CSOs providing specialized services for the protection of victims of domestic violence should meet. Accordingly, the work uses standardized documents such as: Rules of procedure, procedure for admission and treatment of victims of domestic violence, questionnaire for reported domestic violence, statements for use of personal data and conducting appropriate procedures for victims of domestic violence and personal security plan for victims of domestic violence.

The CPP uses a separate room that is within the office of the Association, which has its own privacy and provides a gender-sensitive environment.

The CPP is run by an expert team composed of a Coordinator and a Lawyer. The team consists of only women who, apart from the expertise in legal issues, have conducted trainings in the field of violence against women and domestic violence and are sensitized for the treatment and provision of services to women victims.

The CPP has established cooperation with other NGOs working on the protection of victims of domestic violence and with all the institutions that are responsible for institutional solution of the problem of the victim, such as: the Center for Social Work, Police office in Tetovo, the Prosecutor's Office, the Court and the hospital.

CPP adequately and in written form confirm the collaboration with signed memorandum for collaboration. In accordance with the law about prevention and protection from domestic violence CPP is a member of the multisector expert team which is coordinated by the Center for social work in Tetovo.

The Legal Aid Center works publicly and transparently and includes periodic and annual reports for its work, which are appropriately published on the web site of the Association of Women's Forum from Tetovo and has excellent cooperation with the local media for promotion of the CPP.
